📍 New Delhi, India

## EXPERIENCE

### Associate Software Developer

#### RoboMQ

📅 07/2022 - 05/2023 📍 Jaipur, Rajasthan

RoboMQ empowers enterprises to automate business operations and build efficient processes using cutting-edge API and data integration technologies across cloud, SaaS, and on-premise applications.

- Led two major projects with a focus on microservice development and maintenance, while also creating test cases and flow charts, resulting in a 60% improvement in project comprehension and a 90% success rate in project delivery after resolving bugs.
- Tech Stack : Java, Spring Framework, APIs, OOPs, Git, Postman, kubernetes, docker, RabbitMQ, Testing and Debugging

### Software Testing Intern

#### Web Host Pune

📅 05/2021 - 07/2021 📍 Remote, Pune

IT and web services provider in Maharashtra, India, offering Domain Registration, Linux-based Hosting, SEO, Digital Marketing, Wordpress Development, Payment Gateway, and E-commerce solutions.

- Collaborated with development team to identify and report bugs. Discovered multiple bugs and documented their summary along with corresponding solutions in a comprehensive report.
- Tech Stack : Selenium IDE, RC, WebDriver, and Grid

## EDUCATION

### B.E. in Electronics and Communication

#### Netaji Subhas University of Technology

📅 2018 - 2022

### Class XII in Computer Science

#### Kendriya Vidyalaya Sangathan

📅 2017 - 2018

## VOLUNTEERING

### Event Organizer

#### TedxNSUT

📅 2018 - 2021

As the Head of Stage Design, I led a team of 20+ individuals, bolstering my confidence, leadership, and teamwork skills. Meeting tight deadlines became second nature, enhancing my time management abilities. Collaborating effectively with diverse talents fostered an inclusive and inspiring environment, resulting in remarkable and innovative productions.

### Graphic Designer

#### PRAYAS - The Neighbourhood Project

📅 2019 - 2022

As a graphic designer, I taught students, enhancing my teaching and soft skills, while organizing fun activities that contributed to social services. This multifaceted experience brought personal growth and improved my leadership and interpersonal abilities.
